TO: Board of Directors of T.I.T.L.  
FROM: William L. Steele  
SUBJECT: Report for July 1975

STAFF

No changes.

FACILITIES

Our air conditioning equipment has continued to function during extensive periods of high temperature and humidity without breakdown.

ACTIVITIES

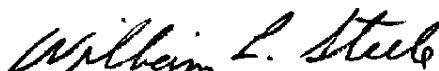

Testing of the market sample was completed on schedule. The raw data is being processed and the report should be out by the 15th.

The FTC has not completed testing yet, but they expect to finish soon. October is currently the guess for their report.

July 31, 1975

Some progress was made on picking-up the next sample. The FTC hopes to select a contractor for the job next week. October is still the likely month when samples will be purchased.
